

Palace Daycare Policy for Illness

Illness: If child becomes ill, the parents are to be notified and the parent needs to arrange for pick up within one hour of call. Child cannot return to Daycare that same day and has to be free from any fever for 24 hour period and needs to be cleared with doctors note of any contagious illness. Child cannot attend Daycare if they have any of the following:

- Pink Eye
- Vomiting
- Severe Cough
- Fever
- Lice (with the nit policy)
- Chicken Pox (Have to be fully scabbed)
- Measles and Rubella (child is excluded for 4 days after the onset of rash)
- Mumps (child is excluded for 9 days or until swelling is gone)
- Skin Rash (open sores or impetigo)
- Diarrhea
- Ring Worm
- Nasal discharge (from nose or eyes)
- Yeast infection
- Strep Throat

Current CDC Guidelines for COVID:

Again, if a child is sent home with any of the following illnesses listed, plan to keep them home for at least 24 hours or until condition is gone or is on medication for 48 hours, and has a note from doctor that the child is not contagious and is okay to return to Daycare.
